RE: Parcel # _____

As an employee of a law enforcement agency or the criminal justice system, I am concerned about my name appearing on the property tax assessment rolls of San Bernardino County. Given the nature of the business I am involved in, there is reason for concern about the personal safety for my family and me. For these reasons, I request that the Assessor's Office not display my name as the current owner of the parcel noted above on the assessment rolls and any of the Assessor Information Systems.

I make this request with the full understanding that the property ownership will be changed to "Property Owner", that the mailing address will remain as it is (unless I submit an address change request in writing), that I may rescind this request in writing at a later date, and that I assume full responsibility for the timely payment of all tax billings whether a bill is delivered to my address as "Property Owner" or not. **

Please attach your business card and a photocopy of the most recent property tax bill that you have received. Other forms of proof employment and property ownership will also be accepted.

** Suggestion: If you do not receive the annual tax bill by November 1st, contact the Treasurer-Tax Collector's Office at (909) 387-8308. If your mortgage company pays your taxes through an impound account, you should receive a "Courtesy Bill" from the Tax Collector.
